**Subject:** Why They Need to Keep Your Power Bill Low

Dear Commissioner

We are a state of elderly people and we need to keep rates as low as possible. We do not need our rates higher as many can't afford what they have to pay now and are suffering from the extreme heat. You are suppose to be a caring organization for the people and not one that robs the people We would appreciate and expect that you will do the right thing by maintaining a price to keep the elderly surviving.

Thank you,

Jane Earhart
