Subject: RE: Tell the PSC Why They Need to Keep Your Power Bill Low

Good Afternoon, Jose Diaz Munoz,

We will be placing your comments below in consumer correspondence in Docket 20210000, and the Office of Consumer Assistance and Outreach will be notified.

Sincerely,

Hong Wang

Office of Commission Clerk
Florida Public Service Commission

Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

I think a strong commitment and clear goals to clean energy production and carbon reduction by FPL is essential before accepting any rate increase. Their monopoly status in Florida frees them from competition and in consequence they can invest with confidence given that their return on equity is guaranteed by the state. There is no justification to have such guaranteed ROI higher than the national average

Thank you,

Jose Diaz Munoz
