DOCUMENT NO. 10429-2021
FPSC - COMMISSION CLERK

Docket No. 20210088-GU – Joint petition to modify tariffs to accommodate receipt and transport of renewable natural gas, by Florida Public Utilities Company, Florida Public Utilities - Indiantown Division, Florida Public Utilities - Fort Meade, and Florida Division of Chesapeake Utilities Corporation.

Issue 1: Should the Commission approve the Companies' proposed new RNGS rate schedule and associated tariff modifications?

Recommendation: Yes, the Commission should approve the Companies' proposed new RNGS rate schedule and associated tariff modifications effective September 8, 2021. The RNGS rate schedule would furnish the Companies with an opportunity to provide biogas cleaning and conditioning services to interested customers. The utility demonstrated a reasonable approach to implementing the tariff. A participating customer would enter into an agreement with the respective Company and all capital and operating costs associated with the biogas upgrading and conditioning service would be borne by the customer over the life of the contract.

APPROVED as modified.

Companies shall file a revised tariff by close of business (9/8/21) striking "unless otherwise approved" by the Commission in a future proceeding" from the last paragraph of tariff sheet 7.507.
