Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

As an elderly (86 year old), I already have difficultly paying my taxes and insurance on my earned pensions. A person cannot get along in Florida without electric power. Please do not price this essential out of reach of myself and others in my situation.

Thank you,

James Terrill 3112 CHICA CIR MELBOURNE FL, 32904-6820
