Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

I has been hard enough trying to keep up with the cost of living. COVID has increased the cost of food, shelter and clothing. The basic of necessities are no longer affordable to the average working couple never mind those who are retired. Incomes are not going up. FPL needs to be a good steward the proposed settlement is not enough. If people cannot afford to pay their bills how they can continue to pay the increases they are proposing. FPL needs to keep their service affordable so that it is not an added financial burden.

Thank you,

Sherry Willette-Grondin
