DESCRIPTION: FPL (Moncada) - (CONFIDENTIAL) Certain information contained in the stipulation between FPL and LUCLA, ECOSWF, and FL Rising.

SOURCE: Florida Power & Light

Pursuant to Section 366.093 of the Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, Florida Power & Light (FPL or Company) requests confidential classification of certain information filed in the above referenced docket, dated September 16, 2021.

The Company is claiming confidentiality of its information under Section 366.093(3)(e), F.S. Per the Statute, propriety of confidential business information includes, but is not limited to: Subsection (e) “[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information.”

FPL claims the confidential information is intended to be and has been treated as private, its confidentiality has been maintained, and its disclosure would cause harm to FPL and its customers. FPL also claims that the confidential information consists of information relating to competitive interests, and its disclosure would impair the competitive business of FPL. More specifically, the disclosure of this confidential information would significantly impair and jeopardize FPL’s ability to compete for, attract, and retain the personnel necessary to provide safe, reliable, and affordable service to its customers.

Staff has reviewed the subject information as well as the Company’s confidentiality request, and in staff’s opinion, the request meets the criteria for confidentiality contained in Section 366.093(3)(e), F.S.
