Dear Ms. Pearce:

Please accept this letter request to enter the name of Franck Leblanc into the project record as Authorized Agent.

Due to the recent retirement of Loretta Cranmer, our agent-of-record needs to be updated to reflect her successor as Director of Environmental Services, Mr. Leblanc.

Mr. Leblanc and the project team at Gulf Power Company looks forward to continuing to work with the Department during the review process. Should you have any questions or concerns, please contact me, Franck Leblanc at (561) 904 3415, Franck.L.Leblanc@fpl.com, or Benny Luedike at (561) 904 3730, Benny.Luedike@fpl.com.

Sincerely,

Michael G. Spoor
Vice President, Power Delivery
