Tips

Benny and Rich,

We have received concurrence from all necessary parties on the review of the first archaeological testing submittals for the first four sites that were submitted (8LE2105, 8LE1549, 8JE880 and 8JE8838). Work may proceed in those areas as agreed upon in the programmatic agreement.

Thank you,

Robin Moore

*NOTICE: Until further notice, Corps Regulatory offices are closed to the public in response to the coronavirus pandemic. Regulatory staff will be working remotely during this time and are restricted from official travel (including site inspections) and attending face-to-face meetings. At this time, the best method for communication with regulatory staff is through e-mail or other electronic means. We appreciate your cooperation as we work through this challenging situation.
