**Re: Docket No. 20210001-EI – In re: Fuel and purchased power cost recovery clause with generating performance incentive factor.**

Dear Ms. Moncada:

Please file responses to the following data and document requests in the above-referenced docket with the Commission Clerk by November 16, 2021:

1. Please refer to Florida Power & Light Company's (FPL or Company) "Mid-Course Correction Petition" (MCC Petition), dated November 9, 2021 and filed in Docket No. 20210001-EI, Schedule E3.<sup>1</sup> Please populate the apparent missing cell data for column 15, line 46, i.e., total annual fuel cost per Million British Thermal Unit (MMBtu), associated with "[g]as."
2. Please refer to page three, paragraph six of the MCC Petition. Please specify the numerator, denominator, and quotient of the under-recovery percentage being alluded to in this section of the petition.
3. Please provide FPL's (combined FPL and former Gulf Power Company) estimates of its system fuel cost of delivered natural gas, per MMBtu, for the months of August, September, October, November, and December 2021, as well as the 5-month average, contained in the specific filings noted in the table below. With respect to the cost data that underlies the MCC Petition, if estimated was not utilized, please provide actual data for any month(s) where appropriate.

4. Please discuss whether the Company plans on instituting any different processes, procedures, and/or measures related to fuel cost and fuel revenue forecasting as a result of requiring a mid-course correction of its fuel-related charges. If so, please explain.
5. Please refer to page six of the MCC Petition. Please briefly discuss how this petition affects, on average, the Company's non-residential classes of service. Please also quantify bill impacts to typical industrial and commercial class (large and small) customers, i.e., typical based on a conventional or average level of usage, if the Company's MCC Petition is approved.
6. Please refer to page six of the MCC petition. Please describe any other Company efforts to notify customers of the proposed action it has requested through its MCC Petition. Please also provide copies of any notifications that were previously, or will be, sent to customers regarding the actions requested in the MCC Petition.
7. Please specify the exact range/beginning and ending dates of FPL's January 2022 billing cycle.
8. Please discuss how, if at all, the Company's updated fuel costs detailed in its MCC Petition have affected its planned power market purchases for 2022.
9. Please provide a Schedule E-1, and two E-10 Schedules (one for FPL and one for the former Gulf service territory) associated with the MCC Petition.
