Thank you Brian. FPUC should not be included in this docket. It is a separate unaffiliated utility.

Thanks so much.

Good afternoon,

Per your request we have changed the title of the Dkt to "Petition for approval of 2021 depreciation study by Sebring Gas System, Inc."

Would you like us to also remove FPUC from the Utilities tab along with the Sebring Gas one that does not have the company code associated with it?

Sincerely,

Brian Schultz

Subject: Docket Title Change for Dkt. No. 20210183-GU - Sebring Depr Study

Good afternoon Brian,

When you have a chance, would you please change the docket title for Docket No. 20210183-GU, by removing "Florida Public Utilities Company's" from the current docket title, and matching the Company name with that in the PSC's Master Commission Directory. Inadvertently, the Company included this phrasing in the first page of their depreciation study Petition filed on November 18, 2021, which is unintentionally misleading. With this change, the docket title should read, "Petition for approval of 2021 depreciation study by Sebring Gas System, Inc."

Please let me know if you have any questions. Sorry for any earlier confusion that I may have caused!

Thanks so much for your help,

Cissy
