CUSTOMER COMMENTS
I never agreed with the first raise in the cost of our water and I certainly can not agree with a second raise with the bad water HC Waterworks is providing.
I buy drinking & cooking water and use their water only for shower, dish washing, & laundry and still my bill is so much higher than the surrounding area.
I also pay \$37.00 a month + 600.00 up front cost to soften the water for Dishes & laundry.
