Commissioner Andrew Fay,

I am writing as a concerned Florida resident and customer of Florida Power & Light (FPL). I received notification that FPL intends to increase rates for customers like me. I am urging you to rethink this decision and not increase our bills.

This past year has been extremely challenging financially for many people in the state of Florida. A rate increase is the last thing we need, especially for vulnerable folks who may be on a fixed income or struggling to find work.

I urge you to reconsider this rate increase.

My fpl is \$230 for the month of June 2022. This is a ridiculous amount I have not even used my oven. I have lived here 12 years.

Commissioner Andrew Fay,

This past year has been extremely challenging financially for many people in the state of Florida. A rate increase is the last thing we need, especially for vulnerable folks like me, over 60 and on a fixed income and struggling to find another source of income to make ends meet. My electric bill is up 30% already!

I urge you to reconsider this rate increase.
