COMPLAINT INFORMATION

Complaint: Improper Billing against Florida Power & Light Company

Details:

We are writing to complain about increased utilities cost from \$8.95 connection fee to \$25 plus tax. FPL raises their rates every year already. We should not be burdened with additional costs especially during these difficult economic times. Please reconsider allowing these billion dollar corporations to take advantage of us. They can afford to make a little less money if it means heloig those less fortunate survive and have a decent living.
