**Subject:** The FPL Bureaucracy !

**Commissioner Gabriella Passidomo, [www.fpsc.gov](http://www.fpsc.gov)**

**Good Afternoon !**

**Ref : Docket # 20210015 Tracking Numbers : 187688 187738 FPSC Initial Inquiry No : 1398580C**

**The FPL Bureaucracy : ( Minimum Electrical Rate Usage Increase ? )**

**As an intelligent individual who has no doubt done his homework, I am still in amazement as to how the FPSC could of granted permission for FPL to raise the minimum electrical rate usage charge ?**

**Myself, and no doubt many more out there in Florida are being monetarily penalized primarily due to a Lower Monthly KWH usage ?**

**Does this make any sense Commissioner Passidomo ?**

**Many Individuals in my neighborhood have also complained of same, as I have advised them all to file their legitimate complaint with the FPSC. 1-800-342 3552**

**Where we proceed to from here is also anybody's guess, as FPL seems to be in the drivers seat ? ( Thank You FPL )**

**Thank You.**

**Respectfully,**

**Michael J. Walsh**
