COMPLAINT INFORMATION

Complaint: Other Complaint against Florida Power & Light Company

Details:

The rates charged by FPL in NW Florida are way higher than what we were told. People are struggling to pay their bills, and having a higher rate for kWh over 1,000 a month usage is another thing they added that Gulf power didn't do. And now they are requesting another rate hike! Please say NO to this. If you really are the PUBLIC SERVICE commission, then please SERVE the PUBLIC and get these rates down!
