**COMPLAINT INFORMATION**

Complaint: Delay in Service against Florida Power & Light Company  
Details:

I am so upset that FPL is going to petition for ANOTHER rate increase! I am on a fixed income. My bill isn't exorbitant but it's because I live alone, have a gas water heater and gas furnace. I can curb electric usage since I do live alone but these poor people who have a family of 3 plus are hurting awfully. I know people who have had to cut groceries substantially and painfully to just pay FPL.

FPL needs to tightened their belt the way we all have to do.

Maybe some of the execs making millions of dollars can get out of their ivory and realize how their spendthrift ways are causing excruciating pain to Mr.& Mrs Average Floridian.
