Subject: FPL is a monopoly - billing rates are out of control

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Chairman Gary Clark,

As a Florida resident, I wonder with dismay why the state allows a monopoly for electric utilities in NW Florida? My bill for the last two months broke records: July- 540 dollars and Aug- 550 dollars.

Enough is enough. Please stop FPL's ridiculous price gouging due to no competition on the FL utility market.

Thank you for your time,
Dan Milicevic
