2 CHAIRMAN FAY: Next we will move to Item No.  
3 2. That will be presented this morning by Mr.  
4 Stiller.

5 Mr. Stiller, you are recognized.

6 MR. STILLER: Good morning, Chairman Fay and  
7 Commissioners. Shaw Stiller from your General  
8 Counsel's Office.

9 Agenda Item 2 is a petition for waiver or  
10 variance filed by Florida Power & Light in Docket  
11 No. 20230017.

12 This docket was opened when FPL filed its  
13 petition for recovery of incremental storm  
14 restoration costs related to Hurricanes Ian and  
15 Nicole, this petition was granted in March, and  
16 interim recovery is ongoing.

17 Pursuant to Rule 25-6.0143, Florida Power &  
18 Light is required to file its final true-up by this  
19 September 30th. It is that rule and that time  
20 requirement from which Florida Power & Light seeks  
21 a waiver or variance.

22 The basis of the waiver or variance is because  
23 of the enormity of the storm and restoration costs  
24 related to Ian, but enormity of the costs triggered  
25 the requirement for an outside audit. Due to those

1 factors, FPL is running a couple months beyond  
2 September 30th.

3 The Commission has found similar circumstances  
4 related to company workload sufficient to  
5 constitute a hardship for purposes of granting a  
6 waiver or variance. Staff believes FPL has  
7 demonstrated a hardship in this instance, and that  
8 granting the waiver has no impact on the purpose of  
9 the underlying statutes.

10 Staff is available for any questions.

11 CHAIRMAN FAY: Great. Thank you, Mr. Stiller.

12 Commissioners, you have a summary and  
13 presentation of the recommendation on Item No. 2.  
14 I will entertain a motion on that item.

15 COMMISSIONER CLARK: Move to approve the item,  
16 Mr. Chairman.

17 COMMISSIONER GRAHAM: Second.

18 CHAIRMAN FAY: Okay, we have a motion and a  
19 second.

20 All that approve say aye.

21 (Chorus of ayes.)

22 CHAIRMAN FAY: Showing none opposed, show Item  
23 No. 2 passing unanimously.

24 Thank you, Mr. Stiller.
