Good morning,

We have received the Utility's letter, dated December 21, 2023, which requested a due date extension for its response to staff's first data request in Docket No. 20230120-WS. I have confirmed that changing the due date for Staff's First Data Request from January 22, 2024 to February 16, 2024, is acceptable to staff. If you have questions regarding the requested information, please contact Clayton or myself at anytime.

Thank you,
