Subject: Senior Citizen Feedback

Chairman Andrew Giles Fay & FPSC Colleagues,

www.fpsc.gov

Good Day !

Ref : Senior Citizen Pertinent Feedback . Docket # 20210015 FPL Account # 26582 57510 FPSC Inquiry # 1398580C FPSC Tracking No's 187688 187738

FPL Minimum Rate Charge ? : (Innocent Victim Of Circumstance Scenario)

As a well versed, and also intelligent Senior Citizen, and also US Navy Veteran I still cannot fathom as to how the FPSC members could of granted a rate increase to FPL that monetarily penalizes individuals such as myself

primarily due to my Lower Monthly KWH usage ? (45 to 55 KWH)

FPL instead of praising, commending, congratulating, or even rewarding me for my diligent effort, and also sacrifice has chosen instead to monetarily penalize me instead ?

Where is The Basic PR, and also Loyal customer incentive FPL ?

What Is Wrong With The FPSC ?

FPL has chosen instead to deliberately mislead the FPSC, and to also plea their case based on their faulty infrastructure, lack of accountability, and greediness, when in fact they should also be held fully accountable for their

dishonesty as well.

I have been a loyal customer of FPL since the year 1976, and I have always paid my electrical bill on time.

I also suffer from PTSD, and Tinnitus. Single Household, and Living on a Fixed Income. Note : No AC in my home, and No Hot Water Heater. (I Go To The Gym- Etna Medicare- Silver Sneakers)

In Summation :

I sincerely hope that my pertinent feedback will serve as a wake up call for the FPSC, as I am most assuredly not a Happy Camper . (Hello Florida Governor Ron DeSantis ?)

Thank You.

Sincerely,

Michael J. Walsh (82 Years Young)

US Navy Veteran 1957-1963 ADR2 (Member I.D. 1194721044)
