Power & Light Company.

DOCKET NO. 20220051-EI
ORDER NO. PSC-2024-0036-CFO-EI
ISSUED: February 12, 2024

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S
FIRST REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION
(DOCUMENT NO. 02915-2022)

On January 5, 2024, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Florida Power & Light Company, LLC (FPL) filed its First Request for Extension of Confidential Classification of documents contained in the responses to Office of Public Counsel's (OPC) Third Request for Production of Documents (No. 7). Specifically, FPL seeks extended confidential classification of Document No. 02915-2022.

Request for Confidential Classification

FPL's original request for confidential treatment of information was granted by ORDER NO. PSC-2024-0036-CFO-EIPSC-2022-0265-CFO-EI, issued on July 7, 2022. FPL asserts that all of the information that was the subject of ORDER NO. PSC-2024-0036-CFO-EIPSC-2022-0265-CFO-EI warrants continued treatment as proprietary and confidential business information.

FPL contends that Document No. 02915-2022 contains certain information that constitutes "proprietary confidential business information" entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. FPL states that this information is intended to be and is treated by FPL as private and has not been publicly disclosed.

FPL further contends that Document No. 02915-2022 contains information relating to competitive interests, the disclosure of which would impair the competitive business interests of the provider of information and asserts that this information is protected by Section 366.093(3)(e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Commission has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information.

Upon review, it appears that the information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information appears to be information relating to competitive interests. The disclosure of these documents would impair FPL's competitive business as the provider of information. Thus, the information identified in Document No. 02915-2022 shall be granted a continuation of confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless FPL or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Mike La Rosa, as Prehearing Officer, that Florida Power & Light Company's First Request for Extension of Confidential Classification of the information contained in Document No. 02915-2022 is granted. It is further

ORDERED that the information in Document Nos. 02915-2022, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein. It is further

ORDERED that this docket shall be closed.

By ORDER of Chairman Mike La Rosa, as Prehearing Officer, this 12th day of February, 2024.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
