To Whom It May Concer,

Hello,

My name is Barbara M. Ortiz and I am the owner of a house in LGI, located at 8760 King Street, Placida., Florida 33946. The purpose of this letter is to express my opposition to the construction of the sewer on LGI. The costs of central sewer are quite considerable at a very bad time for Islanders. Many are still engaged with fighting their insurance companies for settlements from Hurricane Ian and have had to lay out large sums for their rebuilds while they wait for compensation. For Dock #42, we have had an enormous additional hardship with our Dock #42, experiencing severe damages and not being able to reconstruct. This has caused us to be unable to have a good rental market, and an enormous cost to rebuild. If you have any further questions, I can be reached at 786-325-0921.

Best regards,  
Barbara M Ortiz
