In re: Petition for rate increase by Duke Energy Florida, LLC.

DOCKET NO. 20240025-EI ORDER NO. PSC-2024-0108-PCO-EI ISSUED: April 19, 2024

# ORDER GRANTING INTERVENTION FOR FLORIDA RETAIL FEDERATION

Duke Energy Florida, LLC (Duke or Utility) filed its Petition for Rate Increase, minimum filing requirements (MFRs), and testimony on April 2, 2024. Duke filed its MFRs based on projected test years from January 1 to December 31, 2025; January 1 to December 31, 2026; and January 1 to December 31, 2027. By Order No. PSC-2024-0092-PCO-EI, issued April 11, 2024, an administrative hearing has been scheduled for these matters for August 12 - 16, 2024. August 19 - 23, 2024, have also been reserved for the continuation and conclusion of this hearing, if necessary.

### Petition for Intervention

On April 3, 2024, the Florida Retail Federation (FRF) filed a Motion to Intervene (Motion) in this proceeding. According to its Motion, FRF is an established association with more than 8,000 members in Florida, many of whom are retail customers of Duke. FRF further states that its members purchase electricity from Duke pursuant to different rate schedules. FRF asserts that its members require safe, adequate, reasonably priced electricity in order to conduct their businesses consistently with the needs of their customers and ownership. As such, FRF contends that the substantial interests of its members will be directly affected by the Commission's decisions in this proceeding regarding Duke's retail electric rates. No party has filed an objection to FRF's Motion and the time for doing so has expired.

## Standards for Intervention

Pursuant to Rule 28-106.205, F.A.C., persons, other than the original parties to a pending proceeding, who have a substantial interest in the proceeding and who desire to become parties may move for leave to intervene. Motions for leave to intervene must be filed at least twenty (20) days before the final hearing, must comply with Rule 28-106.204(3), F.A.C., and must include allegations sufficient to demonstrate that the intervenor is entitled to participate in the proceeding as a matter of constitutional or statutory right or pursuant to Commission rule, or that the substantial interests of the intervenor are subject to determination or will be affected through the proceeding. Intervenors take the case as they find it.

To have standing, the intervenor must meet the three-prong standing test set forth in Florida Home Builders Association v. Department of Labor and Employment Security, 412 So. 2d 351, 353-54 (Fla. 1982), and Farmworker Rights Organization, Inc. v. Department of Health and Rehabilitative Services, 417 So. 2d 753, 754 (Fla. 1st DCA 1982), which is based on the basic standing principles established in Agrico Chemical Company v. Department of

Environmental Regulation, 406 So. 2d 478, 481-82 (Fla. 2d DCA 1981). Associational standing may be found where: (1) the association demonstrates that a substantial number of an association's members may be substantially affected by the Commission's decision in a docket; (2) the subject matter of the proceeding is within the association's general scope of interest and activity; and (3) the relief requested is of a type appropriate for the association to receive on behalf of its members. Fla. Home Builders, 412 So. 2d at 353-54; Farmworker Rights Org.,417 So. 2d at 754.

# **Analysis and Ruling**

With respect to the first prong of the associational standing test established in <u>Florida Home Builders</u>, FRF asserts that a substantial number of its members are retail electric customers of Duke and that its members' substantial interests will be directly affected by the Commission's decision on whether to grant a rate increase. With respect to the second prong of the associational standing test, the subject matter of the proceeding appears to be within FRF's general scope of interest and activity. FRF exists to represent its members' interests in venues such as this and FRF has previously intervened in dockets before this Commission. As for the third prong of the associational standing test, FRF is seeking intervention in this docket in order to represent the interests of its members in this rate proceeding. Based on the foregoing analysis, FRF's standing in this docket has been established.

FRF meets the three-prong associational standing test established in <u>Florida Home Builders</u>. Consequently, FRF's petition for intervention shall be granted. Pursuant to Rule 28-106.205, F.A.C., FRF takes the case as it finds it.

Based on the above representations, it is

ORDERED by Commissioner Gabriella Passidomo, as Prehearing Officer, that the Motion to Intervene filed by Florida Retail Federation is hereby granted as set forth in the body of this Order. It is further

ORDERED that Florida Retail Federation takes the case as it finds it. It is further

Under <u>Agrico</u>, the intervenor must show that (1) he will suffer injury in fact which is of sufficient immediacy to entitle him to a Section 120.57, F.S., hearing, and (2) the substantial injury is of a type or nature which the proceeding is designed to protect. The first aspect of the test deals with the degree of injury. The second deals with the nature of the injury. 406 So. 2d 478 at 482. The "injury in fact" must be both real and immediate and not speculative or conjectural. <u>International Jai-Alai Players Assn. v. Florida Pari-Mutuel Commission</u>, 561 So. 2d 1224, 1225-26 (Fla. 3d DCA 1990). <u>See also: Village Park Mobile Home Assn., Inc. v. State Dept. of Business Regulation</u>, 506 So. 2d 426, 434 (Fla. 1st DCA 1987), <u>rev. den.</u>, 513 So. 2d 1063 (Fla. 1987) (speculation on the possible occurrence of injurious events is too remote).
