Dear Commissioners: LaRosa, Graham, Passidomo, Clark, and Fay,

I live on Don Pedro Island in Charlotte County. My address is 190 Bocilla Drive. I also own lot #8 across from the county owned fire department. My family moved here 28 years ago. I built my home along with an approved septic system. Since 1996 I have experienced no problem with my septic tank or drain field. The pump has been pumped and inspected and works fine.

I oppose a private for mega profit company requesting to put in public sewer. Don Pedro/ Palm Island is relatively rural and has virtually zero commercial usages. The existing septic systems have and will continue to work fine, as they have since they were invented.

The costs expected to be charged by Environmental Utilities are not only exorbitant but totally unnecessary. Please respect our opinions as taxpayers. Should Charlotte County decide to add utilities, as a non-profit entity, I would consider this over a profit mongering group.

Sincerely,

Gary M. Anzulewicz & Family
