County commissioners,

Thank you for taking the time to read this letter. I live at 17 Palm dr. There are many reasons that I oppose the sewer. We recently built our home; our septic is only a few years old. Sewer installation will create a financial burden, with estimated costs exceeding 30,000. There are no payment plans available, payment is required up front. EU has no competition. As a for-profit sewer, he can charge whatever he likes with no guarantees of completion or quality.

Sincerely,  
Lilly Onufрак
