**Re: Docket No. 20250052-WS - Application for increase in water and wastewater rates in Brevard, Citrus, Duval, Highlands, Marion, and Volusia Counties, by CSWR-Florida Utility Operating Company.**

Dear Mr. Silas:

By letter dated April 8, 2025, the use of a historic test year ended January 31, 2025 by CSWR-Florida Utility Operating Company (CSWR-Florida or Utility) was approved for purposes of filing minimum filing requirements (MFRs). It was requested that you file the Utility's MFRs no later than May 23, 2025. By letter dated May 19, 2025, the Commission received your request for an extension of time to file CSWR-Florida's MFRs. Your request for a new filing deadline of June 6, 2025 is hereby approved.

Please note that all other provisions set forth in the test year approval letter dated April 8, 2025 still apply. If your filing is accepted as complete, your petition will be deemed filed on the date the Office of the Commission Clerk receives your MFRs. If you have any questions, please contact Amber Norris at (850) 413-6984 or [amnorris@psc.state.fl.us](mailto:amnorris@psc.state.fl.us).

Sincerely,

A handwritten signature in blue ink, appearing to read "Mike La Rosa".
