### CUSTOMER COMMENTS

I am an FPL customer and AARP member, and I want to express my concerns regarding the proposed increase by FPL. Many seniors like me currently juggle the rising cost of food, medicine and housing. FPL's request is based on corporate greed, especially with an ROE of 11.9% (!), well over the national average (pure profit)! I urge the Commission to thoroughly scrutinize this request and consider the impact on seniors like me, as well as other consumers, and ensure that the rate increase is fair and reasonable.
