**Subject:** Opposition to the Proposed FPL Rate Hike

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Public Service Commission,

I oppose the proposed rate hike under consideration for FPL. Florida's electrical rates have risen substantially since FPL merged with Gulf Power. This rate hike is the largest in US History and completely contradicts the promises made to Panhandle customers that rate would rise after the merger but then fall.

All the best...

--John Yost
