Dear Public Service Commission,

I am writing in support of Florida Power & Light as they are and have been a wonderful contributor to our community and they go the extra mile to ensure we have the services that are needed.

As the leader of the Escambia Long-Term Recovery group, ESF-15 Volunteers and Donations for Escambia County, and the program manager for Escambia Community Emergency Response Team, BRACE is dependent on community partners to accomplish our missions. FPL has always stepped up to help us accomplish our tasks with ease. Community partners such as FPL assist our residents with emergency preparedness materials, education, supplies, and spreading the word that help is available.

Finally, we recognize that rising costs are surrounding us all in every aspect of business and residential life. FPL is no different in being affected by these costs. We support, FPL, as we know their integrity and commitment to community is unwavering.

Best,

Dr. Nick Jackson
