Subject: FPL rate increases

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

As a concerned citizen from Charlotte County Florida, I write to ask you to please stop FPL from increasing our rates. This would be devastating to our community which has already suffered SO much from hurricane damage over recent years. So many people in my neighborhood are struggling just to make ends meet.

Thank you for listening,

Diane Radke
