Good afternoon,

I would like to take a little time to show my gratitude for all the hard work of FPL does. Not only in my workplace, but in my community. Living in Florida we anything can happen at any time. Whether it's a short term outage on a sunny day, or a outage doing a heavy storm. FPL It's always there to make sure that power is back up and we are back to business as usual as soon as possible. This is essential, especially working down on Fort Lauderdale Beach.
