FPL increases

Message
Hello Governor DeSantis,

FPL has raised their rates, and is trying for an additional raise.
Please DENY FPL in this request. With the cost of insurance and increased cost of groceries, it would be difficult for me to manage another raise by FPL, who should better manage their finances and perhaps reduce the number of administrators.

Thank you.

FPL and rate increases

Message

FPL told us rates would go down when Solar Farm was deployed. Rates went up. It was revealed that solar panels were from China and had technology to spy on our grid. Crickets. Solar farm in Texas destroyed by bad weather.

FPL and others are in Tallahassee asking for another huge rate increase. We don't want more solar panels from China. We are already having financial problems from energy rate increases. Please Gov. DeSantis, don't allow this.
