Subject: Audit Duke Energy

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Please put an audit of Duke Energy on the agenda. It is urgent that we are not spending funds on issues that are unrelated to energy. Our bills are increasing and it is in the best interests of the consumers to keep an audit of the spending in order to be sure that money collected is used appropriately. We need a properly funded reserve fund to pay for issues related to storms.

Thank you.
