Dear Sebastian,

I represent the three HOA's from the three communities served by Gulfstream Utility LLC. Those communities being Gulfstream Harbor, Gulfstream Harbor II and Gulfstream Harbor III.

Our three HOA's, in representing our residents, have interest in the recent application the utility has made for a Staff Assisted Rate Increase.

We recognize it is very early in this process, but we would like to ensure the three HOA's have the opportunity to express opinion and questions to the PSC on any data that is submitted to the PSC from Gulfstream Utility LLC.

Could you please advise on how we might proceed? Is there is a method to be linked to updates of the docket via e-mail or other methods? Who at the PSC would be a contact for any future communications our HOA's would require?

Thank you.

Sincerely,

Dennis Johnson
