Dear Commissioners,

I'm writing to express my support for FPL's base rate request under Docket No. 20250011-EI. As a residential customer, I understand the importance of investing in system reliability, clean energy, and long-term infrastructure.

FPL has consistently delivered dependable service, and I believe this rate adjustment is a fair and necessary step to continue meeting the needs of Florida's growing population and energy demands.

Thank you for the opportunity to provide input as part of this process.

Best regards,

Stephanie Simmons
