Subject: Keep FPL Rates Down Docket #20250011

Dear Florida Public Service Commissioners,

As a Florida Power & Light (FPL) customer who was a customer way back as long ago as the early 1970s, I strongly oppose the largest rate increase in U.S. History. This excessive hike would place an unfair burden on customers, especially low-income customers or older adults on fixed incomes who simply cannot afford to pay more.

With costs for housing, healthcare, and everyday essentials already high, the last thing I need is a higher electric utility bill. FPL is already a highly profitable company—asking customers to pay more just to boost corporate profits is completely unacceptable.

I urge you to reject FPL's request for a higher return on equity and increase to the monthly base rate. The PSC must prioritize customers, not the interest of a regulated monopoly. You have a choice to limit rates we have no choice in the matter.

You are a regulatory agency. You are not a captive of FP&L. Do your duty and remember who it is that pay your salaries!

Sincerely,

Robert Deutsch
