Dear Florida Public Service Commission,

I'm writing to urge you to reject Florida Power & Light Company's proposed rate increase (Docket No. 20250011).

Why should shareholders' needs take precedence over the needs of FPL's customers?

Electricity is a basic need. Let's make it as inexpensive as possible.

The Public Service Commission is charged with protecting the public — not maximizing utility profits. I strongly urge you to reject this rate hike and send a clear message that Floridians come first.

Sincerely,
Elizabeth Corwin
