To whom It may concern,

My name is Andrea Gockley and I am a residential customer of FP&L. I currently reside at 5667 Lancewood Dr. Port Orange, FL 32127. I am very pleased with the service I receive from FP&L. Outages are rare, but when they do occur, service is restored quickly. When there is a hurricane on the horizon, FP&L is prepared ahead of time to ensure service can be restored as soon as they are safely able to do so. I am very appreciative of the service and rates with FP&L. While no one enjoys a rate increase, I understand that it is necessary to be able to provide the service that Floridians expect and appreciate. I support the rate increase to ensure that FP&L is able to make proper upgrades and maintenance of equipment so that we may all benefit from excellent service and the quick restoration of power during outages.

Thank you for your time.

Cordially,

Andrea Gockley
