To whom it may concern:

I am writing in favor of the FPL rate increase for the upcoming term. I have been a customer of FPL for 12+ years and have always been satisfied with their service. When disasters strike, they are always working fast to get my power back up and running. Anytime that I have called with a question, the customer service representative is always helpful. As with many of my utility bills, I understand that rate increases are sometimes needed in order to keep the quality of service.

Thank you for your time.

Respectfully,
Victoria Royston
