To: State of Florida PSC

I am writing to express my strong support for FPL's ongoing commitment to quality of service and the exceptional service my family and I have received as FPL customers residing for years in the State of Florida.

Throughout my experience as an FPL customer, I have witnessed firsthand FPL's dedication to improving and maintaining their electrical infrastructure through pole hardening projects, equipment upgrades, and underground service installations. FPL continues to demonstrate their commitment delivering reliable service and long-term resilience, particularly as it relates to storm preparedness and accelerating restoration efforts for Florida families and businesses.

In conclusion, I am proud to support FPL's quality of service initiatives and look forward to continuing to observe FPL exceeding customer expectations.

Regards,

Boynton Beach, Fl 33426
