Governor DeSantis, Please read attached letter, sir. I am a retired and 100% disabled U.S. Navy veteran and would appreciate your time to address this very important issue for all of us citizens in Hillsborough County that are having to endure this continued and unbelievable rate increase with our power. TECO is a monopoly and we are being pushed into a corner as if we have no recourse. They are pushing the wrong people here... we will not continue paying outrageous bills & price gouging.
