Subject: Keep FPL from raising our electric bill

Dear Governor Ron Desantis,  
Please stop the Public Service Commission and FPL from raising our bill by \$20.00 per month.  
Please stop the building of new solar panels on over 20,000 acres of land. Solar energy is not efficient compared to the other energy sources.  
Per Florida DODGE, cut their funding and remove their authority to increase our electric bills now and in the future.  
Thank you.
