TECO Price Gouging \$350 - \$1k a month electric bills

**Message**

I am writing today to please employ you to look into the price gouging happening at TECO in Hillsborough county. They are draining our community with exorbitantly high electric bills and surcharges for hiring out of state linemen during hurricane season all while their executives make \$700k a year with \$200k plus in bonuses. There is no where else for the people to go they dominate the industry in a solo monopoly, eliminating any option or accountability. Please help us. Please.
