To whom it may concern,

As a current resident of the Grenelefe community, I am asking the PSC to put the burden on new residents and not burden the existing homeowners of the price hike on the water bill that is being proposed. The proposed rate increase is ridiculous this would devastate our community and value of our homes. Polk County already approved a fair plan where new development would pay for the \$20 million in upgrades through CDD assessments and connection fees. So why would the PSC staff reject that.

Thank you.
Jay Dionisio
