Dear Sirs,

I am writing you to voice my concerns over the potential hike in our water bills. This increase is outrageous and will cause many owners to have to sell their beloved homes. This developer knew full well before purchasing this property that he needed to upgrade the water plant and he is now passing that on to the homeowners. We would be the HIGHEST in the entire country!! He has made so many promises to get his plans approved and so far has not delivered on one single one of them!! Our beautiful community has gone in the tank and now he is proposing this outlandish increase, all for his own pocketbook!!

Please do not pass this hike!!

Thank you for your attention.

Kim Veith
