Urgent Concerns Over Rising Tampa Electric Bills

**Message**

Dear Governor DeSantis,

Tampa Electric's recent rate increases have become unaffordable for middle- and lower-income families in Hillsborough County. Rising bills from storm surcharges and base rate hikes are forcing families to choose between electricity, food, and rent. Please use your office to ensure utility costs remain fair and manageable for Floridians.

Limited space please let me know if you want the entire message! Thank you!
