My concern with duke Energy and many other residents have had extreme high electric bills exhausting all of my finances, we already live in low quality area in St Petersburg having to worry about safety, now the cost of living worried about becoming homeless because of high cost of having a light bill I'm in fear every month of receiving my duke Energy bill on top of having to pay water bill , rent, internet, phone bill, cr note, car insurance, is there any programs can be considered for St Pete
