Subject: Grenelefe Water Docket NO: 20250023- WS

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Dear Commissioner,  
I am a home owner in Grenelefe FL  
and a senior citizen on a budget and  
cannot afford an unreasonable increase  
in my water bill.

Why such a proposed outrageous water  
bill increase, what's changed?

What is proposed increase being used  
for? Are you proposing that Grenelefe  
home owners pay for new water lines  
and hookups to new Lennar Homes?

Please be reasonable - with high cost  
for every day items like food, etc., all of Grenelefe particularly Senior Citizens on fixed incomes should not have to incur  
proposed extremely high percentage increase in their water bill.

Sincerely,  
Gerard Walter
