Dear Florida Public Service Commissioners,

I am a residential customer of Florida Power & Light (FPL) and a member of AARP,.

I oppose FPL's attempts to raise its rates even higher than they already are.

I opposed the increases FPL proposed in February, and I oppose the nearly identical increases FPL has now put forward with its corporate partners in a so-called "Settlement" negotiated in secret.

These rates remain excessive and unfair to residential customers. We always feel one step behind with FPL.

FPL's claim that this "Settlement" represents residential customers like me and my family is

false.

WE PUT SOLAR ON OUR HOUSE AND FPL's rate increases OUTPACED THE VALUE OF OUR SOLAR INVESTMENT.

No one from FPL ever consulted us, asked for our input, or received our consent to speak on our behalf.

Instead, FPL chose to ignore the voices of ordinary Floridians who have already expressed strong opposition to these increases.

My family and I call on the Public Service Commission to reject these secret deals cut with large industrial and commercial interests and to hold FPL accountable.

Enough is enough — protect residential customers from corporate greed and unjustified rate hikes.

Thank you for your time and consideration.

Sincerely,

Carolyn Cockey
