Dear Florida Public Service Commissioners,

I am a residential customer of Florida Power & Light (FPL) in North Port and a member of AARP. The working poor and seniors on a budget aren't able to pay ever increasing rates. I oppose any attempt to raise FPL rates.

FPL's claim that this "Settlement" represents residential customers is false. No one from FPL consulted us, asked for our input, or received consent to speak on our behalf.

I urge the Public Service Commission to reject deals cut with industrial and commercial interests and to hold FPL accountable.

Corporations do not need more money in a time when the regular folks are struggling!

Sincerely,
